The Safari UT 1300 is an amazing Lithium Iron Phosphate battery that can be used for auxiliary power in RV's trailers, motorhomes, boats, cabins, sheds, gazebos, dump trailers, and where you need a reliable sources of stored ...

But cost is same for a Yuasa AGM battery, so if I decide to spend around \$100 thinking the lithium would be a better battery overall. But for \$30-40 SLA looks attractive, only downside is if you lay your bike over and acid spills, but if you lay your bike over that is the least of your worries, as you'll likely have a wrecked bike. My last worrisome event with my Yuasa, ...
