

Accurate power meter for lead-acid batteries

Simulating a 20 hour discharge test in seconds, the ACT CHROME 12v SLA Intelligent Battery Tester displays the DC Voltage and available Ampere hour (Ah) capacity of standby lead acid batteries between 1.2Ah and 200Ah. An ...

Digital Refractometer/Hydrometer measures specific gravity of lead-acid battery fluid. The measurable range is optimized to the specific gravity of sulfuric lead-acid battery fluid. This digital hydrometer is the quickest and most efficient way ...

DV Power's battery load unit BLU-A is a portable, powerful, and lightweight solution for battery capacity measurement. It is applicable to any battery string such as lead-acid, Li-Ion, Ni-Cd, etc., with up to 500 V battery voltage. As a ...

Take seconds to receive accurate Ampere hour (Ah) capacity results of the most common lead acid battery types. The ACT 612 Intelligent Battery Tester is designed for testing 6V and 12V standby SLA, cyclic GEL and car FLOODED ...

The most accurate way to determine the state of charge of a lead-acid battery is to measure both the voltage and the specific gravity of the battery electrolyte. This gives you a holistic ...

The BITE5 and BITE5 Advanced battery testers let you perform simple tests to quickly evaluate the state of health of lead-acid (VLA and VRLA), NiCd, and lithium-ion batteries. Both instruments have an easy-to-use touch-screen ...

Often, the SG-Ultra is used as a digital hydrometer for battery testing (Lead-Acid & Ni-Cad), alcohol and food testing, petroleum testing, and ...

The SBS-3500 uses oscillating U-tube technology to measure specific gravity and temperature of lead acid or nickel cadmium (Ni-Cd) batteries within seconds. The unit offers a wide reading range, able to take readings between the range ...

Take seconds to receive accurate Ampere hour (Ah) capacity results of the most common lead acid battery types. The ACT 612 Intelligent ...

The SG-Ultra Digital Battery Hydrometer is commonly used for battery testing (Lead-Acid & Ni-Cad), alcohol and food testing, petroleum testing, and other custom density tests. One carrying case included with each unit. Benefits: ...
