Unable to determine if your iPhone battery is a genuine Apple part. This could be because the part is non-genuine, not functioning as expected, or the installation is incomplete Unable to determine if your iPhone battery is a genuine Apple part. This could be because the part is non-genuine, not functioning as expected, or the installation is incomplete

While an authentic iPhone battery may be more expensive upfront, it is a reliable and genuine product that will deliver consistent performance and is supported by a warranty. On the other hand, a third-party OEM battery may save you money initially, but it carries a higher risk of poor performance, compatibility issues, and potential damage to ...

Car battery warranties can usually be transferred to a new owner when a vehicle is sold, but it's important to check the specific terms and conditions of the warranty. There may be legal implications involved. Are There Any Additional Costs or Fees Associated With Making a Warranty Claim for a Defective Car Battery? When making a warranty claim ...

Bank Austria issues the requested guarantee, such as a "tender guarantee" or a "performance guarantee", in favour of your foreign contract partner. It is often necessary to involve a local bank when issuing foreign guarantees, which means that the guarantee is issued by the local bank at the request of Bank Austria ("indirect ...

My Ford Vehicle > Warranty > Warranties and Coverage > Is the Battery Covered Under Warranty? Is the Battery Covered Under Warranty? Original equipment (OE) batteries fitted to Ford vehicles in production are covered for 12 months (6 months on taxis), unlimited kilometres from the vehicle's Ford Express New Vehicle Warranty commencement date.

Started giving me the unable to verify genuine Apple battery message last year. I figured it was an update issue and waited. Unfortunately it is still happening and now out of warranty. Apple tech support said to take it in to Best Buy but all they said is to spend a couple hundred bucks and put in a new Apple battery. Pretty unhappy.
