Together with ERMA (Now Worksafe) Bruce designed a range of chemical and flammable cabinets which tackled the storage problems head on. The cabinets have evolved over the past 22 years to be the best quality at the ...

In my experience commercial work sells for less than residential. I don't use a price per foot, instead a labor per operation plus materials. The file cabinet mentioned, if 16" wide, would be \$340.00, but if 24" wide, would add only another \$40.00. If figured at a cost per foot based on a 16" standard, you wouldn't get the job and at the 24 ...
