Removable, rechargeable battery offers up to 60 minutes of run time, and the Digital Display features 4 cleaning modes. 5-Layer filtration captures pet dander, pollen and other nonliving particles for cleaner air in your home.

Ruffed grouse use them as shelter. And smaller birds need brush piles too! Brush piles, covered by a cap of snow, provide thermal cover at night for familiar feeder birds, like black-capped chickadees, tufted titmice, and dark-eyed juncos. On the coldest winter nights, these birds all roost together communally to escape wind and chill.

The belt is fiberglass reinforced, the double brush bearings are oversized and sealed, and the stainless steel plates around the power brush helps protect it from wear and damage. The professional's choice, the Lindhaus PB14 is simply the best ...
