

Conversion equipment lead-acid battery customer service phone number

I found a dealer local and got 6 new 8V Trojan Lead Acid batteries for \$900. I like the idea of the lithium as, like you said Tony, the Lead Acid weigh 70lbs each, so the weight savings with lithium would have been 300 lbs, but it would have been \$2000 for the lithium batteries and new charger. I figured I'd go with the Trojans this time and ...
