TMEOIIPY Ebike Battery Cover, E Bike Battery Protection Cover with 30-41cm circumference - Battery Protection for E-Bike Battery - Bicycle Battery Protective Cover. 4.3 out of 5 stars 25 1 offer from \$19.99

After two years I found the charging port door cover on my Creo SL would no longer close completely. Wasn't to keen on allowing water access to the charging port and was happy to find this replacement. This model is much better as it opens with the push of a button and is closed with slight pressure until you hear/feel a click.

The hinge cover will be destroyed during the removal of the charge port door. A new hinge cover will be supplied with the new charge port door. Remove the hinge cover: Insert a miniature 6 in pick with a 90 degree tip ...
