European ferrochrome market keeps quiet [] [2024-06-07 08:09:09] Chinese LC ferrochrome suppliers have

Price trend of ferrochrome battery

intention to lift prices [] [2024-05-11 08:25:21]

According to SMM data, national production of high-carbon ferrochrome further declined in September 2024. In September, the purchase price of high-carbon ferrochrome by stainless steel mills fell, leading to a decrease in retail prices. This trend caused some ferrochrome producers to face a situation where production costs exceeded market prices.
