[Fast Solar Charging] Made from high converting monocrystalline cells, this 60W solar panel achieves a 23.4% conversion rating, charging your portable power stations quickly and efficiently. [Portable & Lightweight Design] Our new 60W portable solar panel is light and travel-friendly allowing you to capture renewable energy wherever you go.

Is The FlexSolar 60W Solar Panel The Panel To Bring On A Camping Trip? I recently reviewed the FlexSolar 40W solar panel charger, which is a very portable panel capable of charging both USB devices and power stations. The conclusion in that review was that it's a great panel even though it doesn't include enough accessories, in my opinion.
