Choose Coldwell Solar for your scheduled solar panel maintenance! Learn about maintenance steps, why you need to maintain your solar installation, and more.

Solar panels are a long term investment. Many manufacturers' warranties are 25 years or longer.. That's long enough to see you move out of your home and, in some unfortunate cases, see your solar company go out of business. If you find yourself with solar panels that were installed by a company that no longer exists what does that mean for you?
