

Solar powered small household street light with three lights

We offer the best integrated solar street light with battery i.e. 12W, 15W, 20W, 25W, 30W, 60W, 80W and 100W LED.

The BNT Solar Street Light comes with a dazzling 60,000 lumens output that can turn the darkest nights into bright days. The LED beads are well spaced out and emit a wide and even light spread that covers up to 1,615 ft²; without leaving any blind spots. I used about 3 of these lights to cover about 4,500 ft²; of the front of a large shopping mall and they did a good job.

Solar panels on the all-in-one solar street light capture sunlight and convert it into electricity stored in batteries to power the LED lights at night. The LED solar street light is essentially an all-in ...
