We've chosen the Wild Badger Electric Lawn Mower as the best small battery-powered mower due to its lightweight design and ability to effectively cut smaller lawns with various grass heights. During testing, we found that this mower easily cut grass that was up to 6 inches tall in some areas, and, even with any self-propelling features, it ...

It's the smallest and lightest of the mini chain saws we tested and even has a lanyard you can wrap around your wrist. It ships with a 20V 1.5 amp-hour battery, which might not sound like much, but is a perfect match for the size of this saw and its intended uses. After an hour of intermittent use, the battery still had 75% power.

This battery has top posts, 850 cold cranking amps, and 150 minutes of reserve time. It comes with a 36-month warranty and was designed to withstand severe temperatures.

Compared with other cordless trimmers, the Ego ST1511T Power+ 15? Powerload String Trimmer is on a different level. The ST1511T has the power to cut through 1-inch-thick Japanese knotweed as if ...
